Dozers: 34	Other: 2	Total Personnel: 2193		
Cooperating Agencies: Tehama County Sheriff's Office, California Highway Patrol, Pacific Gas & Electric, Tehama County Fire Department, California Department of Corrections and Rehabilitation				
SITUATION				
Current Situation:	Acreage growth on the Red Bank Fire continues to hold. A cold front will pass through the area today, creating some afternoon and evening wind gusts over the region, which may challenge control lines. Conditions on the South Fire remain dynamic due to the amount of open fire line. CAL FIRE IMT 5 is working in conjunction with the United States Forest Service resources, and has assumed suppression responsibilities for State Responsible Area land located south of Cottonwood Creek. The total number of resources stated above includes both Branch Ten of the South Fire and the Red Bank Fire incident.  Motorists should drive cautiously and always yield to emergency vehicles that are traveling on and off of the roads and highways. Fire danger remains elevated and everyone should continue to use extreme caution and refrain from daily activities that may spark a wildland fire. <b>"Ready, Set, Go"</b> is a user-friendly website that shows homeowners step-by-step instructions for hardening their homes and protecting their families from the dangers of wildfires.
